

Anne Martin

Esthetician

Anne has been a licensed esthetician for nine years and has been working here at the club for six years. Anne attended Pivot Point International Academy and completed post graduate education at the Dermal Institute and Conservatory of Esthetics. With experience in both the clinical and spa setting, Anne provides a relaxing experience, while also sharing her extensive knowledge of the skin. During your facial Anne is more than happy to give you tailored advice on how you make your skin the best it can be! Anne also specializes in eyebrow design and takes great pride in being quite the perfectionist in this area; believes that a properly shaped brow can change your entire look.
